CLIMABOX® 280

The Guarantee

For hot or cold protection – Voigt Climabox® 280 – making sure that sensitive cool products reach their destination safely and at a guaranteed temperature between 2–8°C.

The Innovation

“Voigt Climabox® 280” is derived from 2–8°C for up to 80 hours and opens up new opportunities for safe shipping every day – even over the weekend.

CLIMABOX® 280

Key Points at a Glance

- Validated 2 to 8°C
- Guaranteed for 30, 50 or 80 hours depending on number of cooling elements
- Paraffin-based cooling elements ensure temperature remains constant
- High usable volume up to 13.68 litres
- Procedure stays the same in summer and winter
- Safety secured through Freeze Protection Study
