

voigt_pharma campus switzerland

The Place to go for
Success in the
Pharmaceuticals Business!

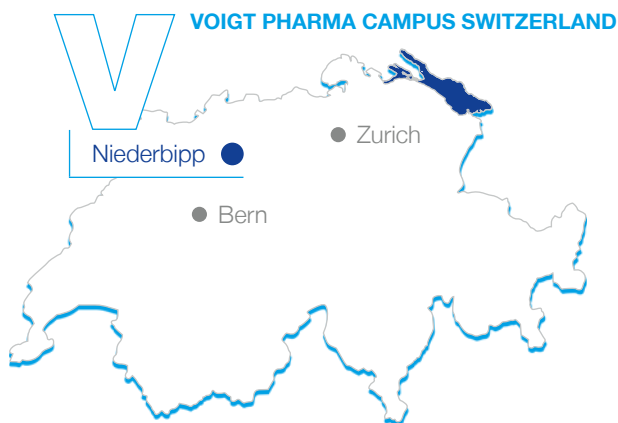

THE HEALTHCARE LOCATION

Voigt Pharma Campus Switzerland

Centrally located in the logistics triangle of Basel, Bern and Zurich, the Campus is part of a cutting-edge business concept. The Voigt Group, an experienced pharmaceutical service provider, is building a major excellence and service centre at its Niederbipp location, offering the complete infrastructure you need to successfully conduct business.

The modern business facilities available there are designed specifically for access to the knowledge and infrastructure of an entire industry. In addition to leasing office space, knowledge sharing and national and international networking are promoted at the centre. You tailor your business environment to your needs, utilising modular offerings such as back-office services, cafeteria supply and technical equipment as required.

« The Voigt Pharma Campus represents
a milestone in the healthcare business.

And you may soon find yourself
successfully working there. »

VOLOGIN

Voigt Logistics Integration

In parallel with an array of offers for the entire pharmaceuticals industry, Voigt is working hard to build the organisation's future.

At its site in Niederbipp Voigt is bundling the expertise of an entire industry with the activities of Voigt Industrie Service AG and pharmaceutical wholesaler Voigt AG within the VOLOGIN initiative (**Voigt Logistics Integration**), aimed at unlocking even more performance and efficiency than seen before in the company's successful 115 years in pharmaceuticals services.
